

AI FOR START-UPS 14:15 - 15:00

14:15 - 15:00

AI FOR START-UPS

Understanding how Artificial Intelligence is becoming increasingly important for all business leaders, especially start-ups. The session will also look into how AI can create opportunities in terms of Sustainable Development Goals (SDGs) through environmental, social and governance (ESGs).

MODERATOR

Ruzbech Bacha

(Founder CityFALCON)

Ruzbeh Bacha is the founder and CEO of London based FinTech startup, CityFALCON. His company converts unstructured financial content into structured data and personalises the content using machine learning. He is a qualified ACA, has an MBA from University of Oxford, and can code.
