12:30 - 13:15

CLIMATE - NEUTRAL ECONOMY

Europe is aiming to become carbon-neutral by 2050. What's in stake for our entrepreneurs? How do we understand the challenges ahead and the role that entrepreneurs can play in tackling the climate emergency whilst at the same time identifying business opportunities?

MODERATOR

Nadine Mercieca

(Team Manager Thematic | Ambient Quality & Waste, Environment & Resources Authority)

Nadine Mercieca has been working in the environment sector for the past 18 years. She is a BSc Physics and Mathematics graduate with a Masters in Environmental Management. Her work mainly deals with EU legislation and its implementation, with a focus on air quality and environmental noise.
