11:15 - 12:00

## THE POST-PANDEMIC HYBRID, DIGITAL WORKFORCE

Covid-19 has accelerated trends towards greater digitalisation in how we work. Working from home becoming the norm, wonline communication, operations and processes are set to become permanent and frequent features of our professional lives. Is this shift creating the potential to change employee experiences and employment structures for the better or not?

### MODERATOR

#### Viviana Premazzi

(PhD: Founder and Director Global Mindset Development GMD Malta)

After many years around the world, in 2018, she established in Malta her company, Global Mindset Development GMD Malta (<https://gmdmalta.com/>), to help individuals and organisations to develop an open and curious mindset to work effectively across cultures and promote innovative, diverse and inclusive workplaces and societies. Ph.D. in Sociology of Migration, MA in Intercultural and Interreligious Conflicts Management, Accredited Lecturer in "Intercultural Management" by Hofstede Insights, she has worked as a consultant and trainer for Fortune 500, local and international companies, government agencies, business associations and international NGOs in Europe, North America, Africa and the Middle East. She has been working as a consultant for the United Nations and the World Bank in Albania, Kosovo, Italy, Mozambique, Egypt, USA and Brazil since 2006 on topics related to intercultural communication, diversity and inclusion, migration, cooperation and development and financial education.
